

INFO FOR OUR TENT CAMPERS

Dear Tent Campers,

In addition to the flyer "**Things worth knowing**" (extra info for all campers), we've put together a few important details here for your tent camping holiday.

Arrival/Departure

Check-in between 3:00 p.m. and 6:00 p.m. /
Departure from 8:00 a.m. to 11:00 a.m. You
are also welcome to pay the evening before.

Parking

If you don't come by public transit, bike or
on foot, you can park your vehicle in the
immediate vicinity of the tent camping
areas. Unfortunately, it is not possible to
park right at the tent campsite itself.

Electricity at the tent?

We have fewer electrical hook-ups (power
boxes) than campsites. Availability is
limited as a result. For an electrical hook-up,
you also need a CEE plug and an (outdoor)
cable reel.

Charging mobile phones, etc.

You can borrow 20,000 mAh power banks
from the convenience store for charging
mobile devices, or give us your power bank
to charge for a fee.

Freezer

(Exclusively!) for cooling elements, there is
a small freezer in the laundry and washing-
up room.

Wi-Fi in the tent camping areas

We've only got Wi-Fi in the front section of
the area (entry to approx. Site S32), this
however is fibre-optic quality. Which means
for you: in Tent Camping Area 1, you can
"watch Netflix", but Wi-Fi is not possible in
Tent Camping Area 2. Tickets are available
at the convenience store (2-/24 hours/for
2 devices).

Campfire?

You are welcome to barbecue on a grill
using charcoal/briquettes. But no open fires
and please do not collect or burn twigs
(landscape conservation area).

Night's rest (SHHHH....)

10:00 p.m. to 7:30 a.m.Nothing above a
whisper. Thank you!

We request that you refrain from listening to any music!

Recommended

For longer stays in particular, or in case of
easily damaged tent floors, we recommend
that you place a tarpaulin under your tent. It
is not permitted to dig gulleys or fence off
campsites.

Attention

Please make sure that no one is at risk as a
result of guy ropes or tent pegs/spikes.

Flying pavilions!

We don't want to forbid pavilions out of
hand, but for your part you must ensure that
such do not "fly off" in case of storm and/or
wind. If a severe weather warning is
imminent, please take them down.

Tent or chair broken?

Please take all "camping materials" away
with you when you leave. Our collection
station is not for bulky items of rubbish. At
Walchensee, we have no way of disposing
of bulky items and would consequently
have to bill you for such.

Lockers

There are lockers available in the sanitation
building.

Dogs, cats, bunnies, etc.

In our tent camping areas, there are
generally no dogs (or other pets) permitted
for reasons of hygiene.

Why are our tent camping areas divided into campsites?

It is only by designating them in this way
that we can reserve sites for you in
advance.

Consideration

Live and let live. Being considerate of your
neighbours (regarding music, etc.) is a
matter of course.
